

INDUSTRIAL EPOXY SYSTEMS

1 Built-in Resiliency for long term protection

2 High Chemical Resistance

3 LOW VOC. Low Odor. Solvent Free.
U.S.D.A Compliant

4 User Friendly. Cleans with warm water and soap

5 Variable Set Times

6 Excellent Adhesion. Self-priming system to damp, green, or old concrete

7 Thermal Durability. Adapts to fluctuating temperatures and movements

Resin Rich for better protection
